PCTI Celebrates Open House Wednesday October 21st

Wayne, NJ – FOR IMMEDIATE RELEASE – The largest Career and Technical school in New Jersey, Passaic County Technical Institute (PCTI), is opening its doors to residents of Passaic County on Wednesday, October 21st at 5:30pm for the much anticipated Open House event. The well-known award winning high school welcomes 8th grade students and their families to discover the opportunities presented by PCTI’s four academies, eleven schools, certification programs, clubs, and activities.

An extremely popular feature of the event continues to be the conversations had between prospective students, parents, educators, and PCTI students. By opening up a dialogue with those well-versed in the PCTI curriculum, visitors get a true taste of all the school has to offer. Additionally, these personal testimonials are invaluable when selecting a high school and program that is perfect for each student.

Every program will have its own demonstration booth and faculty and students will be on hand to answer all questions. Informative literature will also be available.

The annual event allows attendees the unique opportunity to gain an intimate look at the comprehensive career and technical high school.

PCTI is located at 45 Reinhardt Road in Wayne off of Oldham Road. Parents interested more information about Open House can call the PCTI Guidance Department at 973-389-4230.
